

**GREAVES**

The **SNAP!** Concept

The revolutionary concept behind Greaves SNAP connectors combines design with mechanical and metallurgical principals to deliver:

- Superior contact and pull-out strength
- Quick installation with simple tools
- UL tested and proven reliability
- Inspectability

**We are celebrating  
our 5 Year Anniversary!**

**Features**

- Designed for Commercial and Industrial Applications Where Safety, High Performance and Continuity of Service are Essential.
- Listed to UL Standard 98 Enclosed and Dead Front Switches.
- Suitable for Use as Service Equipment When Installed in Accordance with the National Electrical Code.
- Certified to CSA Standard 22.2 Z No. 4-04 Enclosed and Dead Front Switches.
- Meets or Exceeds NEMA KS1 Standard for Enclosed Switches - Type HD.
- Fusible and Non-Fusible Switches Available (Consult BuyLog for Interrupt Ratings).
- Quick-Make, Quick-Break Mechanism.
- 60/75°C Conductor Rating.
- Full Cover Interlocks.
- NEMA Type 4X Enclosure Grade 304 Stainless Steel

**\$213.53 ea.**

**Features**

Donut handle, ideal for hook stick operation, accepts three padlocks in the OFF position.

Highly visible ON/OFF label.

Coin-proof, defeatable interlock.

Safety

Ease of installation and maintenance

—  
01

Self-leveling, three-point mounting system.

Clear line shield allows visual confirmation of blade positions while helping to protect against accidental contact with live parts.

Direct-drive, quick-make, quick-break mechanism snaps contacts open and closed, providing positive ON/OFF indication.

Spring-reinforced fuse clips assure reliable contact for cool operation. Suitable for Class H, K, J or R fuses, where applicable.

Wide, unobstructed gutter.

# What a Bright Idea!

## MC Luminary® Cable Products

### Dimmable Lighting

### MC Luminary® Cable

- | Combines power and control circuits under a single interlocked armor.
- | Reduces installation time and materials on the job site.
- | Designed for LED and fluorescent dimming systems.
- | Available in jacketed MC Luminary® for direct burial or concrete encasement applications.
- | Patent Pending

### Daylight Harvesting

### MC Luminary MultiZone®

- | Multi-circuit home run for lighting controls
- | Eliminates multiple power and control cable runs
- | Two or Three zone power and control in one cable
- | For daylight harvesting installations

### Patient Care Facilities

### MC Luminary HCF®

- | Healthcare facilities version of MC Luminary Cable® for areas of patient care.
- | Addition of redundant ground required for NEC 517.13

# electri-flex

## Type BR

"Blue Ribbon" (BR) This UL listed non-jacketed flexible steel conduit has many universal wiring applications. It is often referred to as "Greenfield" or "Reduced Wall Flex".

### Construction:

- Hot Dipped Galvanized Steel
- Helically wound, formed strip
- Reduced Wall Steel Gauge

**\$142.75/c**

Electri-flex BR012 69322 Type BR Flexible Metal Conduit, 3/4 in Trade, 0.812 to 1.105 in ID x 1.045 to 1.105 in OD, 100 ft L, Steel #11037

**\$1772.63/c**

Electri-flex BR019 4" Reduced Wall Flexible Metal Conduit #11045

## Type LA

A flexible steel conduit which is both listed by Underwriters Laboratories Inc. and certified by Canadian Standards Association. It offers outstanding protection against wet, oily conditions and is permitted for use in exposed or concealed locations.

### Construction Inner Core:

- Hot Dipped Galvanized Steel
- 3/8" – 1-1/4" Squarelock Profile with continuous bonding strip
- 1-1/2" – 4" Fully Interlocked Profile

### Construction Liquidtight Jacket:

- Flexible PVC
- Resistant to Oils and Mild Acids
- Flame Retardant
- Sunlight Resistant(UV)

**\$244.89/c**

**GEAR PUNCH™**  
**HOLEMAKING HAS NEVER BEEN EASIER**

Perfect, clean cuts every time.

Punches and dies are clearly marked.

Rated for mild and stainless steel, iTOOLCo's SLICK-CUT™ technology allows 1/2" through 6" punches and dies to cut through an industry leading 10 gauge mild and stainless steel while maintaining the sharpness of the cutting edges. The Gear Punch™ tool will work with any make or model of corded or cordless drill, new or old drills, with no special add-ons required. The punches and dies are clearly marked with trade standard conduit sizes as well as Center Point™ marks for perfect alignment, no matter what direction you cut from. Lightweight and easy to use, the Gear Punch™ tool is compatible with other punch and die offerings and comes with a lifetime replacement on draw studs.

No leaking hydraulics or seals to replace.

**\$28.99 ea.**

**nVent CADDY PSF6 Pyramid St Fixed Strut Support #133158**

- Provides superior support for pipe, conduit, duct, cable tray and equipment
- Foam bottom offers low abrasion interface for better roof membrane protection
- Compatible with roof surfaces including single ply, bituminous, metal and spray foam
- Provides superior load distribution, even with varying rooftop surfaces
- Ready to use out of the box, saving installation time and labor
- Multiple sizes and load ratings offer the ability to tailor the solution to the application
- Easy to transport to the roof
- Hot-dip galvanized and UV stabilized for long lasting performance
- Supports green building requirements; thermoplastic bases are made from recycled material and can contribute to earning LEED credits

**\$.99 ea.**

**nVent CADDY CS812D Cable/Conduit to Stud Attachment #60703**

- Accommodates EMT conduit and MC/AC cable
- Easily locate the fastener on the stud, keeping your conduit in line with box knock out and H-series brackets
- For wood or metal stud
- Eliminates offset bending of conduit
- Compliant with NEC® Article 358.30(A), which requires conduit support within 36" of an electrical box
- Compliant with CEC Rule 12-1404, which requires conduit support within 1 m of an electrical box
- Compliant with CEC Rule 12-618, which requires support of armoured cable within 300 mm (12") of an electrical box

**nVent**

**CADDY**

**\$4.95 ea.**

**nVent CADDY TSGB16 Screw Gun Box Bracket, 11-18" Stud Spacing #3444**

- Can mount multiple boxes
- Notched and marked for easy identification and bending
- Improved design with stamped inch markings and pilot holes accelerates precise box conduit mounting between studs
- Pilot holes allow easy box attachment with a screwdriver
- Requires only a screw gun to install
- Can be mounted to face or inside of stud
- Adjustable for non-standard stud spacing
- Interlocking tab prevents accidental disassembly
- Unique, one-piece, break apart design
- Reduces movement of the box when used with flexible conduit, ENT, MC, AC or non-metallic sheathed cable

**\$2.73 ea.**

**nVent CADDY MP1 Low Voltage Mounting Plate #122083**

- Provides positive support with locking screws
- Makes wire "fishing" easier
- Install with a drywall saw and screwdriver
- Eliminates the need for an electrical box when installing low voltage Class 2 wiring

**Atlantic Coast Electric Supply** is a Carolina's based independent electrical distributor. We proudly serve the markets in an around Concord, NC, Charleston, Columbia and Greenville, SC. With decisions made locally, we are able to focus specifically on the needs of our customers in those markets, reacting quickly to your requests and project needs. From product lines to delivery options and counter locations to project management services, we can support every aspect of your project. We will get you the product you need, where you need it.

Our mission is to exceed our customers' expectations while providing quality electrical products and solutions for their projects. This is the foundation of our business, it's important to us, this is what we built our business on. We utilize the vast experience of our team, the extensive lines of top products we offer along with dedication and the drive to be your first choice.

We carry a full line of electrical products, from some of the leading manufacturers in the industry. Brands you recognize and trust such as: Siemens, ABB, Legrand, Acuity, Hubbell, Philips, Encore Wire, Crouse-Hinds, Southwire, Milwaukee, Ideal and Klein to name a few. Many of these products are stocked in our locations for quick delivery or we can manage your inventory with our VMI and project management services.
